RE: Case 676

Dan Knight, AIA  
president

Dear Mr. Carter,

Kevin G Montgomery, AIA  
member

This office is in receipt of your response to the Board's inquiry outlining the steps that Consultants & Builders, Inc. has taken to come into compliance with the rules and laws governing the practice of architecture in North Carolina. Based upon your written assurance, the Professional Standards Committee of the Board is willing to recommend that the case be closed provided this Letter of Warning is signed by you and returned to this office on or before October 11, 2006.

Kiki Teague  
public member

Sincerely,

Cathe M Evans  
executive director

FOR THE NORTH CAROLINA BOARD OF ARCHITECTURE

**LETTER OF WARNING**

I, Scott E. Carter, in lieu of Board proceedings, consent and agree as follows: Consultants & Builders, Inc. will refrain from using the word "architecture" or any form of the word thereof in North Carolina or in connection with offering or rendering services for structures to be built in North Carolina. The firm will not advertise, offer nor render architectural services as defined in G.S. 83A unless and until it holds a current license to practice architecture under provisions of G.S. 83A of the North Carolina General Statutes and the rules adopted by the Board there under. All services offered in this State will be in compliance with G.S. 83A-13.
